Winnett's SkillsUSA Team

Back L-R: Mr. Tholt, Lealen Dutton, Virgil Tholt, Wil Murnion, Wiley Dutton, Jesse Mickelson, Jack Nowlin; Front L-R: Tayt Obrigewitch, Jasper Tholt, Grace Murnion, Peyton Davis, Anna Nowlin

SkillsUSA offers local, state and national opportunities for students to learn and practice personal, workplace and technical skills. These three components comprise the SkillsUSA Framework, a blueprint for career readiness. Our local chapter conducts a full program of work and many students also attend the Montana state conference in the Spring and Leadership Conference in the Fall. At the SkillsUSA National Championships 6,500 students compete in 114 occupational and leadership skill areas each June. These national technical competitions help establish industry standards for job skill training and entry-level workers. My favorite part of the Conferences is the students getting to meet industry professionals who are running the competitions.

SkillsUSA: 60 years and counting!

by Adam Tholt

History of SkillsUSA:

1917 is when the first federal law in the United States relating to career and technical education was passed. The Smith-Hughes National Vocational Education Act. This law was the first to provide funding to the states for agriculture, homemaking and trade and industrial education. Forty-five years later, the Vocational Educational Act of 1963 specified that vocational student organizations were an essential part of vocational instruction. The SkillsUSA (called VICA originally) was officially founded in 1965. Today, these organizations are called career and technical student organizations, or CTSOs, and SkillsUSA is one of eight authorized by the U.S. Department of Education. This law was also important because it recognized CTSOs as an integral part of classroom instruction and legitimate recipients of federal and state grant money to support their work.

2023-2024 National Numbers:

- 2024-25 total membership: 438,869
- Teacher and student members: 413,293
- Student members: 390,664
- Teacher/Advisor members (SkillsUSA Professionals): 22,629
- SkillsUSA schools: 4,909
- SkillsUSA classrooms: 21,629
- Middle school members: 4,525
- High school members: 361,784
- College/Postsecondary members: 46,984
- 479 new chapters chartered with SkillsUSA in 2023-2024
- Associations in 50 states and Puerto Rico, Virgin Islands and the District of Columbia
- Total cumulative members served since 1965: 15,174,665
- 555 members in Montana

COMMUNITY SPOTLIGHT:

Barabara Granbois

BLAST FROM THE PAST: *Winnett welcomes a long-lost teacher back*

Occasionally, out of the blue comes a real gift. The phone rang. Gari King picked up, and who should be calling, but Barabara Granbois. Some of you may draw a blank, but those of us who were either teaching or sitting at small desks at the Winnett School will know the name. And what is more, we can recall her quiet kindness and sweet smile. Mrs. Granbois was among us as our kindergarten teacher for ten years, working with the “littles” from 1987 to 1997. When she left, we heard very little of her for over twenty years. Where’d she come from? Where’d she go?

Meanwhile, deflecting “Cotton-eyed Joe”, let us get back to Gari’s phone call. Barbara, now 83 years young, is planning a trip to Montana. Her daughter will accompany her on the flight from Michigan to the Treasure State where they will rent a car and

explore the places Mrs. Granbois frequented while living here. One of the “must-sees” was the Winnett School. Naturally, old acquaintances put their heads together and started planning a shindig. Letters went out to ten-years-worth of colleagues and “kids”.

The ladies have planned an Open House reception for Barbara at the Petroleum County Community Center, scheduled for 5-7pm on May 15. There will be a light buffet, basket for cards and emails from those who cannot come, and an opportunity to Zoom with her at 6pm.

During a quick phone interview, I caught up with Mrs. Granbois in Georgia where she now lives. She filled me in on her life before and after teaching in Winnett. Barbara was born in Georgia in 1942, following two brothers into the world. During her childhood, the family moved from one place to another, so “home” was a variety of towns. After graduation, she attended a junior college with an emphasis on elementary education.

Her two older brothers had joined the Navy, and Barbara, following their example, enlisted. She served in the Navy for four years at Virginia Beach, Virginia. There, she met her husband who happened to be from Montana. The couple had one daughter.

Grandsons: Kadyr holding pug (Barley), Alexander, & beagle Lexie

Grandson Alexander, daughter Nicole & son-in-law Luke

The family moved back to Montana in 1985 where Barbara served four more years in the Navy Reserve. She also finished her degree in elementary education by attending Eastern Montana College in Billings, now known as MSUB. Armed with her new degree, she became Winnett’s kindergarten teacher. She was a great addition to the

Barbara (right) with sister-in-law (left) & an old friend (middle)

staff and is fondly remembered by all the short people she led up the hall. For ten years, as she was shaping those youngsters, she commuted from Roundup, which meant that socializing with the staff and locals was not easy. Still, she made a great contribution to the school.

Once Mrs. Granbois left Winnett's school, she lived for four years in Missouri, followed by another eleven years in Michigan, where her daughter, now married, lives. The couple produced Barbara's first grandchild, a terrific boy. And then they were able to adopt a young boy from Kazakhstan. These two are the light of Barbara's life. She now lives in Georgia but regrets not being able to see them often. Part of this journey to Montana includes a chance to visit her daughter's family in Michigan, a double treat.

Barbara with grandson Kadyr at the Veterans Memorial Museum

Barbara admits she has slowed down some, but she stays very active in her church activities. When I called her, she and a friend were on their way to visit someone in an assisted living facility. She pulled over to answer my questions, and then she was off and running. Many teachers have come and gone from our school. It is wonderful to know that

Mrs. Granbois remembers us as fondly as we remember her. Be sure to circle May 15 on your calendar and join us in welcoming this "Blast from the Past" back into the fold, if only for a few hours. From "out-of-the-blue" it will be chance to reminisce with one of our favorite Winnett teachers.

SUPERINTENDENT'S NOTES

While Mother Nature decides whether to give us winter or spring, we are racing toward the end of the school year. As usual, these final weeks will be filled with activities galore! Students are excited to show their talent at the District Music Festival on April 25-26 at the Fergus Auditorium. Digger Days, an opportunity for high schoolers to get a hands-on learning experience, is scheduled for April 29. The Junior Senior banquet will take place on May 5 followed by the FFA banquet on May 12 and Mr. Wheeler will direct the Spring Concert on May 13. The District Track Meet will be in Great Falls on May 9, Divisional May 15-16 and State May 23-24. Graduation is May 18 at 1:00PM in the Winnett Gymnasium; a bittersweet day as we say good-bye to four wonderful students while anticipating their great achievements in the future. As the year winds down, I feel very fortunate to have the opportunity to work with students who are committed to their academic and extra-curricular activities, who come to school every day and meet me with smiles and a kind greeting in the hallways and who accept direction with respect. This is a testament to parents and the culture of our school and community. I also want to thank our dedicated teachers who work hard to ensure that our students receive the very best education and who are here to support and encourage our students every day. Thanks to all who continue to make Winnett School the best it can be!

Teri Harris

MAY LUNCH MENU

1st: Hamburgers, Nachos, Baked Beans, Fruit

5th: Chicken Strips, Fries, Fruit, Roll

6th: Walking Taco, Corn, Fruit, Roll

7th: Chicken Pot Pie, Salad, Fruit

8th: Cheeseburger Mac, Veggies, Fruit, Roll

SENIOR WEEK

12th: Pizza, Salad, Fruit (Tinley)

celebrating their I Love
To Read Month
accomplishments with a
movie and ice cream!

Elementary News

Mrs. Kiehl's 5th/6th Class

- The fifth and sixth graders have been working on a unit on World War II. Not only are they covering it in Social Studies, but they are also reading a novel that closely aligns with the material. Number the Stars is about a young Danish girl that shows courage in the face of adversity while helping rescue her Jewish neighbors from harm. The kids have had to spend a lot of time thinking about how one person can make a difference in the world, no matter their age, and about what they would do if put in a similar situation.

Mrs. Tholt's 3rd/4th Class

- The end is in sight!! It is hard to believe we are almost done with the school year. We are deep in to our MAST testing, working hard. We did get to go to Alberta Bair to see Journey to Oz. That trip was a lot of fun, especially playing in a park before the show. We have lots of end of year events coming up, like Play Day, and Spring Concert/Art show. Be sure to stop by those events to see what we all our hard work.

Mrs. Grant's Kindergarten class

- Every day has been an adventure for the Kinders! We finished up the school year studying to be Engineers. We learned about the engineering process and how to solve problems like saving a house from a rock (ping pong ball). It was also fun to learn about money and act out being salesmen. We have several entrepreneurs on our hands! Overall I couldn't be more proud of this little crew and am excited to see where the years ahead take them. Best of luck class of 2037!

Mrs. Johnson's 1st/2nd Class

- What a year of growth! From money, measurement, fractions and data, we have been devouring our math concepts. One of our favorite things we did this spring was writing biographies about famous people and heroes. We enjoyed decorating the pennants and displays, as well. This quarter we were enthralled with the caterpillars that we watched grow and go through metamorphosis to become beautiful Painted Lady butterflies. The day they are released is extremely exciting! It's truly been a fantastic year!

Mrs. Dutton's Pre-K Class

- We just wrapped up our dinosaur unit. The kids really enjoyed being paleontologists. We will be learning about plants and insects in May. The students have worked extremely hard this year. I can't wait to see how far they can soar.

Senior Class Spotlights

Kenzie Smith

What do you remember about kindergarten:

Playing a ranching game with Riffin Meckel, Wyatt Meckel, and Kale Dutton. They were cowboys running a ranch while I was the cook for them and we played it almost every recess in kindergarten.

What is your favorite Winnett School lunch?

Chicken Alfredo for sure.

What's your best memory of your time at Winnett School?

Getting the opportunity to play AAU volleyball for Avalanche Winnett-Grass Range 18's my junior year and winning a few tournaments. My favorite memory of our AAU season was taking first at Volleyfest in the 18's club silver bracket!

What will you do next year?

Attend MSU-Bozeman in pursuit of a Business degree

What do you hope to accomplish still this year?

Graduate with a 4.0

What advice do you have for younger students?

Work hard but don't forget to have fun since high school goes by super fast!

Zarry Moore

What do you remember about kindergarten:

Having parties when we get ice cream and to watch a movie for reading a certain amount of library books.

What is your favorite Winnett School lunch?

Chicken alfredo.

What's your best memory of your time at Winnett School?

Getting 3rd at Divisional volleyball

What will you do next year?

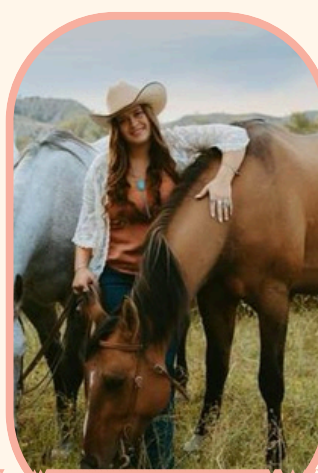

Attend MSUB to become a teacher.

What do you hope to accomplish still this year?

Paint the W and fill out a lot of scholarships

What advice do you have for younger students?

Don't procrastinate and enjoy the time with your friends while you can.

Tinley Browning

What do you remember about kindergarten:

I remember being nervous for my very first Christmas play where we sang, danced, and had to do "quick changes"

What is your favorite Winnett School lunch?

Grilled cheese sandwiches.

What's your best memory of your time at Winnett School?

My best memory was playing cards in Mr. Oshnocks room in study hall almost every day of freshman year with my classmates until our study hall was almost taken away.

What will you do next year?

I plan to attend Sheridan University where I will become a dental hygiene student.

What do you hope to accomplish still this year?

I plan to make it to state in track and apply for scholarships.

What advice do you have for younger students?

Focus on your grades and be involved in school activities, but don't forget to have some fun as well! Hang in there, high school really does go by fast.

Josh Miller

What do you remember about kindergarten:

Not much.

What is your favorite Winnett School lunch?

Chicken Dijon.

What's your best memory of your time at Winnett School?

Arriving last year.

What will you do next year?

Leave and finish my training.

What do you hope to accomplish still this year?

Graduate with better marks.

What advice do you have for younger students?

Don't put things off for too long, procrastination only works if done right.

Final spring WGR sports pics will be in the July/August edition

Billings Shootout

Custer 5x5

Redbirds Tourney

Forsyth Tourney

Big Timber Tourney

Harlo Tourney

"MISFIT RAMS" Tournament Season ends with Six BIG Championship WINS!

Coached by
Cody Martinez & Charlie Ahlgren

Dec 28: Placed 2nd at the Custer 5x5 tournament.

Jan 19: Placed 2nd at the Redbirds tourney.

Mar 7-9: They fought through 3 days and went undefeated and won the Billings Shootout on a buzzer beater in the chipper by 1 against Crafted Basketball of Billings!

Mar 23: Went 5-0 in the Forsyth Rumble on the River 5 on 5 tourney beating a tough Miles City team in the championship!

April 6: The team made the long drive to the Big Timber tourney April 6 and came away champions for the 5th time this year. They improve every tourney and play well together. They beat 3 Bozeman and Livingston teams!

“They have been in the chipper of every tourney for 2 years straight now.”

April 18: Their tourney season came to an end, until Big Sky State Games in July. They went out with a bang, winning the Harlo 3x3 tourney, going 4-0 beating the very tough Winifred team in the chipper. This season they participated in eight tournaments, going to the chipper at every tourney, winning 6 of the 8! Great job boys, and thank you to their dedicated coaches!

“These are kids who want to win, who want to be competitive and strive to be the best they can and work so well together as a team. They put a ton of work in on and off the court and it's really paying off. Just so much fun to see the improvement in each player as the season goes on.”

WEDDING DRESS DISPLAY AT THE PETROLEUM CO. COMMUNITY CENTER

The name June comes from the Roman goddess of marriage, Juno. This June, PCCC will be displaying wedding dresses and photos of community members, past and present, in the seating nook. If you have a wedding gown and/or photos (framed and at least 11" by 13") that you would be willing to have shown, please contact Gari King at (406) 380-0808 or gari.king1954@gmail.com.

Winnett Shamrocks 4H Club

The Winnett Shamrocks made quite a showing at County Public Speaking day! Most of our club attended, and our three Gavel Games teams rocked it. Here are all 16 kids with coach Chelsea Hollender. Senior team got a blue award and is moving on to state 4H Congress and the junior team also got a blue! They had a young cloverbud team this year as well, and

while they were only an exhibition entry they impressed the judges. They also had two members compete in individual events. Virgil and Jasper both competed the the Impromptu speech. Virgil won the Sr division with a blue award. He has the option of going to Congress in July to compete at a state level. Jasper won the Intermediate division with a red award.

FOR OUR 4TH ANNUAL CANCER WALK

The Winnett Cancer Walk will be held on Saturday the 14th of June. It will take place at the Winnett School Gymnasium and Cafeteria, starting at 5 p.m. and ending around 7p.m. This will be the 4th Cancer Walk done in Winnett and would like the community to join us. There will be luminary bags set up in the center of the gym with the names of those in Memory of and those in Honor of on the bags. The names of those in Memory and Honor of will be read after a short Program. Tickets will be available for raffle baskets which include ours (given away at the time of our walk to the winner) and ones we have from the Lewistown Cancer Colors Celebration which will be held on Thursday, the 14th of August at the Trade Center from 5 to 9, and those winners will be announced then. The luminaries we have at our walk will be put together with theirs and names will be read at their walk also. A silent auction will be held at the walk in Lewistown. Join us for this one also if you are able. If you would like to make a donation or purchase a luminary for someone in Memory of or in Honor of contact Kim Tarplee at 317-446-5926 or at kimtarplee1957@gmail.com. If you would like the luminary bag to be decorated I can do that or if you prefer you can decorate your own. The Winnett Lions Club is helping with this function and you can ask one one of them for more information. The last 4 years Winnett has alone donated about \$10,000 to the Fight Against Cancer. Thank you everyone for your support.

Winnett's SkillsUSA Team snagged 10 medals at the State Competition!

Winnett Students Competing in 2025

Winnett had 5 high school students and 6 middle school students competing in the State SkillUSA competition this year.

Wiley Dutton, Wil Murnion, and Jesse Mickelson competed in Crime Scene Investigation as a team and won bronze. Wiley also competed in Criminal Justice and received a bronze in that competition as well. Wiley Dutton, Jack Nowlin and Virgil Tholt competed in Extemporaneous Speaking with Virgil Tholt taking home a silver medal. Wil and Jesse also competed in Basic Woods. They both did a good job but had misread the plans for the box they were building causing them to finish outside the medalists. Jack Nowlin and Virgil Tholt both competed in designing the state's

pin with Virgil Tholt bringing home another silver medal.

Middle School Competitions are relatively new and some are the same as the High School level and others are completely different. All of the middle schoolers were on a 3 person Team Engineering team. The team of Jasper Tholt, Tayt Obrigewitch and Lealen Dutton brought back a bronze medal. Anna Nowlin, Grace Murnion, and Peyton Davis all competed in pin design at the middle school level. Anna Nowlin, Grace Murnion, Peyton Davis, Jasper Tholt and Tayt Obrigewitch competed in Extemporaneous Speech with Anna Nowlin bringing home a silver medal. Lealen Dutton competed in Basic Woods and Job Skill

Demonstration winning silver in Job Skill Demonstration.

Virgil Tholt was elected to be a state officer. The state officer team helps run the two Leadership trainings (East and West) in the Fall and Competitions in the Spring. Some of the students in State Delegation go to nationals to represent Montana at the national assembly and attend training. They are also involved in talking to state legislators and the governor on matters that are important for SkillUSA. They can be involved in fundraising and getting sponsors for the state SkillsUSA Competition and training.

Pictured above:

Back L-R: Wiley Dutton, Wil Murnion, Virgil Tholt, Jesse Mickelson. Front L-R: Anna Nowlin, Tayt Obrigewitch, Lealen Dutton, Jasper Tholt, Mr. Tholt

Award Winner Results

Virgil Tholt:

- Elected State Officer
- 2nd in Pin Design
- 2nd in Extemporaneous Speaking

Wiley Dutton:

- 3rd in CSI
- 3rd in Criminal Justice

Wil Murnion:

- 3rd in CSI

Jesse Mickelson:

- 3rd in CSI

Anna Nowlin:

- 2nd in Extemporaneous Speaking

Jasper Tholt, Tayt Obrigewitch, & Lealen Dutton:

- 3rd in Team Engineering

Lealen Dutton:

- 2nd in Job Skill Demonstration

SkillsUSA Winnett Team Quotes

“

I enjoyed spending time with my friends and meeting new people. I learned to level the wood using the walls of a box.

Lealen Dutton

”

“

I enjoyed the little displays of the student projects. Having fun at the competitions. Meeting new people. I learned to read the rules for the competition.

Grace Murnion

”

“

I enjoyed the variety of the skills we learned to compete in the Crime Scene Investigation Competition. I learned that I needed to work on my job interview skills.

Wiley Dutton

”

“

Enjoyed the people that I met and going on the welding field trip to ADF the steel beam manufacturer. I learned to be prepared and don't be afraid to talk to people.

Peyton Davis

”

“

I enjoyed the judges willingness to help us with our skills when we struggled. I learned there are a lot of good options for training after high school.

Jesse Mickelson

”

“

I enjoyed the heavy equipment simulators and the concession dippin' dots. I learned how to check for fingerprints in my Crime Scene Investigation competition.

Wil Murnion

”

“

I enjoyed meeting and rekindling friendships with other students in SkillsUSA. I learned you don't have to be perfect for people to give you a vote of confidence.

Virgil Tholt

”

“

I enjoyed the heavy equipment simulators and playing the full size jenga. I learned that to do well in Extemporaneous Speech you need to practice.

Jack Nowlin

”

“

I enjoyed the simulators and seeing the other competitors' sculptures and designs. I learned to tell a story about my SkillsUSA experience.

Anna Nowlin

”

“

I enjoyed the experience of having fun with my friends. I learned that I needed to memorize the SkillsUSA Framework to do better in my competitions.

Jasper Tholt

”

“

I enjoyed college and business booths and the simulators were fun. The metal sculptures were awesome to look at. I learned to weld a built up roof with a hot air welder.

Tayt Obrigewitch

”
